Urgent 4/12/35

In enclosing a copy of letter received from the Medical Officer, Vani Vilas Hospital, Bangalore soliciting permission for housing a few patients in the newly constructed Venkatamuniah Chetty Children's Hospital, I have the honour to state that for reasons explained in the Medical Officer's letter, it is very desirable that the patients should be accommodated in a properly enclosed and warmer place.

I would request that the permission sought for to put these patients temporarily in the Venkatamuniah Chetty Children's Hospital may kindly be accorded.

I have the honour to be,
Sir,
Your most obedient servant,

S. Subbarao.

Mr CB

Letter No.263 dated 25-11-1935, from the Medical Officer, Vani Vilas Hospital, Bangalore, to the Senior Surgeon in Mysore, Bangalore.

I have the honour to bring to your kind notice that there are 34 patients some of them with babies put on the back verandahs of the Vani Vilas Hospital. These patients are carried into the wards for the night and brought out again in the morning. This makes the ward very insanitary, besides the cold during the day is injurious to the patients whose vitality is already low and it is very nearly fatal to a baby hardly 10 days' old. I therefore request you to allow me to house these patients at least during the winter in the Vengatamuniah Chetty Children's Hospital which is now complete.
